RSE PROGRAMME

The RSE (Relationship & Sexuality Education) Programme, is part of Social, Personal and Health Education. RSE provides children with structured opportunities to develop knowledge, attitudes, values, beliefs and practical skills necessary to establish and sustain healthy personal relationships as children and subsequently as adults. The RSE policy is available to parents on the school website or can be requested in the school's office. You will be informed of the content of lessons prior to it being taught. Please contact the school should you have any concerns.

STAY SAFE PROGRAMME

The Stay Safe Programme is fully implemented in Drom National School. The Stay Safe Programme teaches children personal safety skills so they can look after themselves in situations which could be upsetting or dangerous. It deals initially with common situations which most children will experience at some stage or other, e.g. getting lost or being bullied. The programme also teaches children the safety skills necessary to protect themselves from physical or sexual abuse. An information leaflet on the Stay Safe Programme is attached or is available on the school website. Please contact the school should you have any concerns.
