# FOR YOUR INFORMATION

- Please cover all books. Please cover copybooks with removable covers. Please put your child's name on all books and copybooks and items of stationery.
- We would encourage each child to keep their books in good condition, so they can be sold on next year or returned to the book scheme in good order. Please encourage your child to use only pencil in their books and only if absolutely necessary.
- School Materials: We would ask for a contribution of €20 for each child towards the cost of photocopying and rent of levelled reading books / class novels.
- Please put your child's name on all items of clothing.
- As children enter the senior classes and begin preparing for entry into secondary school, it is important to develop their independence and make them more responsible for ensuring that they have all the items that they require for the school day ahead. Please encourage your child to have the following organised before coming to school: the appropriate uniform / tracksuit, homework, books / copybooks, stationery and any additional equipment required.
- Students should only bring home those books etc. that are necessary for their homework. The use of wheelie school bags is also recommended.
